Drive Guidelines

WestSide Baby appreciates your commitment to local children and families in need and we will do our best to ensure that your drive is successful, rewarding and fun! We serve 46,000+ children in our area, and we couldn't do that without your support. **Thank you.**

Hosting a drive is simple. WestSide Baby has been the recipient of diapers and other essential items from office and school drives, birthday parties, church community events, dinner party drives and small business drives just to name a few. There are no limits to how creative you can be!

We ask just a few things from you:

- **Set a goal and promote your drive.** Having a goal will help with your planning (and ours). It's important to tell people what you are collecting and why you are collecting it. Be specific about any diaper or clothing sizes that are needed, how much you would like to receive and the timeframe of your drive.
- **Become a WestSide Baby Advocate.** Check out the [FAQ's & Information](#) sheet to feel confident about answering people's questions. We already know you feel strongly about our mission, and that is why you are the best person to tell others about WestSide Baby.
- **Collect contact information when possible and keep it safe.** WestSide Baby uses this information to thank donors, and will not share any contact information with anyone outside of our organization.
- **Count the items and money you collect.** Counting the total number of diapers, dollars and other items collected is one of the most rewarding experiences of hosting a drive. When your drive ends, take a step back to admire your hard work and be sure to record everything using the [Drive Count & Contact Info](#) sheet. Accurate counts are essential for our efficiency and ability to quickly communicate the success of our campaign efforts.
- **Deliver all donations within one week of your drive.** Getting items to us as soon as possible ensures that we can distribute them to families when they are needed. Please schedule a delivery time by contacting our drive coordinator at drives@westsidebaby.org.
- **Return all materials to WestSide Baby.** You may have unused posters, bookmarks and other promotional materials that we can reuse, so please return them to us along with your drive items.

Driver FAQ's & Information

About WestSide Baby:

Families in poverty or crisis face daunting challenges providing essential items for their children's well-being, yet all children need a healthy supply of diapers, warm clothes, and safe equipment to grow up strong.

WestSide Baby has distributed over \$3 million in essential items to local children last year and now serves more than 46,000 children annually. We provide these items in partnership with more than 114 social service agencies working directly with families.

Where is WestSide Baby and how do they help my community?

WestSide Baby's headquarters are located in the White Center neighborhood of Seattle. We also operate a branch in Seattle's South Lake Union neighborhood. WestSide Baby provides critical items for children in need throughout western King County.

What are some drive ideas?

A drive can be as simple as creating a collection area with some posters and sending out a few emails at your office, school, or church. Be sure to check with the appropriate person to make sure you are aware of any rules they may have about drives before you get started. Past drives have included:

- | | |
|----------------------------|--|
| Office potluck fundraisers | Dinner party host/hostess gifts |
| Marathon fundraisers | Diapers/Items in lieu of gifts at a birthday party |
| Happy hour benefits | Diapers/Items in lieu of gifts at a baby shower |

Did you know?

- 1 in 3 U.S. families struggle to afford an adequate supply of diapers for their children.
- Diapers are not covered by Food Stamps, WIC, or any other government assistance programs.
- In King County alone there are 10,000 children under the age of three living in poverty. If those 10,000 children need an average of six diapers a day for 365 days, that is approximately 22 MILLION DIAPERS a year.

What items are needed?

WestSide Baby accepts new and gently used clothing items through size 12, and equipment such as car seats, portable cribs, and highchairs. We also collect diapers, pull-ups and hygiene items such as wipes, shampoo, and diaper cream. For an up-to-date list of most-needed items, please visit our website www.westsidebaby.org.

Social Media Drive Tips

Promoting your drive using social media can help boost donations and build enthusiasm for WestSide Baby's mission! If you are part of a company, club or community organization, you may also choose to promote your drive on your website or within an email newsletter. Here are some suggested online and social media blurbs for you to customize and use. These examples are for a diaper drive, but you are welcome to modify them to describe whatever you are collecting.

Sample Post:

Did you know that food stamps cannot be used for diapers and that 1 in 3 families struggle to afford them? Babies born into poor or low-income families can spend a day or longer in one diaper, making them vulnerable to infection and abuse. To help address this issue, I am hosting a diaper drive to benefit @WestSide Baby! Will you contribute to the cause? Diapers can be dropped off at <INSERT LOCATION> on <INSERT DATE> between <INSERT START TIME> and <INSERT END TIME>. The most needed sizes are <INSERT SIZES>. Please contact me for more information or to make other arrangements!

To post and enable WestSide Baby Facebook link, you will first need to "like" the WestSide Baby Facebook page. Then just type the word "@WestSideBaby" (as indicated above) and select "WestSide Baby" from the list.

Bring a package (or a case!) of diapers to donate to families in need! Following the drive, we will be delivering all of the donations to WestSide Baby (www.westsidebaby.org). WestSide Baby works with 114 social service organizations to keep 46,000+ local kids in clean diapers each year. Your donation may seem like a small gesture, but it will help relieve a huge burden for families overcoming unemployment, homelessness, and domestic violence. Let's Help Westside Baby by Donating Diapers!

Did you know that **1 in 3 families in America struggle to afford diapers** for their children? Without an adequate supply of diapers, many babies are forced to sit in dirty diapers for hours on end, making them more **vulnerable to diaper rash, infections, and abuse**.

Did you know...

- Diapers can't be purchased using Food Stamps or any other form of government assistance?
- Diapers cost up to \$100 per month, per baby?
- Parents are often required to reuse diapers?
- Babies without diapers can be turned away from childcare and moms without childcare can't go to work?

The fact that this is the reality for so many families is simply unacceptable. I invite you to join me and become a part of the solution by supporting my diaper drive on behalf of **WestSide Baby**. WestSide Baby is a nonprofit organization that works to address these issues by providing essential items to local children in need by collecting and distributing diapers, clothing and equipment. I am hosting a diaper drive of my own to help them serve more than 38,000 children this year!
