2021 Sponsorship Opportunities

WestSide Baby envisions a day when each child is equipped with the basic items they need to grow into healthy, happy, and resilient members of our community.
With your support, we can achieve this vision in King County together.

WestSide Baby meets the basic needs of children to promote safety, security, and healthy development. We provide essential items to keep children safe, warm, and dry by collecting and distributing diapers, clothing, and equipment throughout Western King County.

We receive donations from the community and distribute these essential items directly to 100+ partner agencies, who are experts in areas of early learning, parental support and healthcare and who work authentically and directly with families and children.

If you are interested in partnering with us, please contact WestSide Baby's Director of Development, Carina Schubert:
