

Donated Car Seat Program

WestSide Baby offers free car seats to families in need through our Partner Network. As a part of our Car Seat Program, we accept used car seats upon inspection.

Unusable car seats incur a dump expense for our organization, so WSB can only accept car seats that are viable for re-use.

Car seats are ONLY accepted at our White Center Warehouse:
10002 14th AVE SW Seattle, WA 98146

Please DO NOT drop off at our partner collection sites.

Used Car Seats Must Meet the Following Criteria:

- ☑ **Car seat will not expire within 1 year from donation date.**
- ☑ **The car seat has not been in an accident of any kind.**
- ☑ **The car seat is not damaged or excessively dirty:**
 - ✗ **No frayed straps**
 - ✗ **No tears**
 - ✗ **No stains**
 - ✗ **No odors**
- ☑ **This is not a Diono or Non-Compliant Car seat (Foreign)**

What to Expect During Drop-Off:

- ★ **Staff will inspect your car seat** upon arrival (please ring the Donation Doorbell if nobody is present).
- ★ **Please include all factory inserts** (no 3rd party accessories accepted).
- ★ **Please clean car seat before donating** (without the use of harsh chemicals).
- ★ **If a car seat does not pass inspection, it will be deemed unsafe for re-use and will not be accepted for donation.**
